EON-DREN is a unique food supplement:

- innovative formulation based on active ingredients from vegetal extracts;
- variable dosage according to needs, thanks to the practical dropper.

Ingredients:

Hydroalcoholic extracts (ethyl alcohol, water, plant part in plant-extract ratio 1:5) of: flowering tops of sweet clover (*Melilotus officinalis* [L.] Lam.); fruits of milk thistle (*Silybum marianum* [L.] Gaertn); roots of dandelion (*Taraxacum officinalis* Web.); hydroalcoholic extract (ethyl alcohol, water, plant part in plant-extract ratio 1:10) of leaves of bearberry (*Arctostaphylos uva-ursi* [L.] Spreng).

Alc. 53% vol.; hydrates 100ml; anhydrous 53ml

Serving size:

30 drops diluted in 500ml of water, 2 times a day; drink it during the whole day

Warnings:

Do not use it during pregnancy or breastfeeding. The food supplement is not meant as a substitute of a varied and balanced diet, and a healthy lifestyle. Do not exceed the suggested daily dose. Keep away from reach of children under 3 years of age. Store in a cool, dry place, away from light.

EON-DREN is produced in Italy, notified to the Ministry of Health;
EON-DREN is gluten-free, OGM-free, Vegan OK, lactose and food preservatives free
